

“Pastello”

The traditional atmosphere of natural colors

“Pastello”

Pastelfarverne er produceret af naturlige jordfarver og lysresistente oxider, så de kan anvendes både indendørs og udendørs.

“Brillante”

Klare farver til de farveglade...

“Brillante”

Mættede farver som hovedsagelig er produceret af organiske, lysfølsomme farvepigmenter. De anbefales kun til indendørs brug.
